

TRB®

Exclusive Commercial Parts

**2018
BROCHURE**

THIS WE PROMISE.

Founded 2010 by our parent company "**Osmanlı Otomotiv**" we quickly established the brand "**TRB**" as a leading supplier of high quality spare parts for truck and trailers. Our luxurious service, thorough commitment to quality and fast, reliable delivery has since become greatly valued by customers through out the world.

Our parent company's decades of experience combined with us keeping our ears closely on the pulse of the market has enabled us to optimize our product range and operating three points of sales, four warehouses and one manufactory in **Turkey** as well as one sales and distribution office in **Germany**, allows us to offer exceptionally fast delivery and the level of service expected by professionals.

By tightly controlling all aspects of manufacturing and distribution as well as closely following technological advances we are able to make exceptionally speedy and accurate deliveries to our customers, utilizing advanced technologies such as **MRP** in manufacturing and **ERP** in warehouse management.

Customer demands and needs are efficiently evaluated and professionally met using advanced **CRM systems and methods**, establishing and maintaining close relationships with contractors and customers.

Furthermore, we aim to make our service even faster and more efficient by opening our warehouses to customers employing **B2B strategies** in 2015. Striving to always stay ahead, we will continue to take bold and confident and constantly improve our services.

DAS IST UNSER VERSPRECHEN.

Gegründet im Jahr 2010 durch unsere Muttergesellschaft "**Osmanlı Otomotiv**", wir die Marke "**TRB**" führenden Namen im Ersatzteilemarkt für LKWs und Nutzfahrzeuge ausgebaut.

Unseren hohen Qualitätsanspruch, komfortablen Service und schnelle, zuverlässige Lieferung schätzen Kunden auf der ganzen Welt.

Aufgrund der langjährigen Erfahrung unserer seit 1992 bestehenden Muttergesellschaft und unserer Nähe zu internationalen Märkten, sind wir in der Lage, stets auf der Höhe der Technik zu bleiben und zeitgerecht genau die Teile zu produzieren, die der Markt erfordert.

Ein Netzwerk aus drei Verkaufsstellen, vier Logistikzentren und einer Manufaktur in der **Türkei**, sowie einem Vertriebs- und Logistikbüro in **Deutschland**, erlaubt es uns, effizient und termingerecht zu produzieren und zu vertreiben und das weltweit mit gewohnt hohem Anspruch an Service, Zuverlässigkeit und Schnelligkeit.

Die dichte Integration unserer Produktions- und Logistiksysteme sowie unsere direkte Kontrolle aller Abläufe via moderner Technologien wie **MRP** im Produktionsbereich und **ERP** in der Lagerwirtschaft, ermöglichen es uns, Kundenansprüche mit der Effizienz, Qualität und Zuverlässigkeit zu erfüllen, die TruckExpert zu einer führenden Marke und einem von zahlreichen Kunden geschätzten Partner gemacht haben. Gleichzeitig nutzen wir fortschrittliche **CRM-Systeme und Methoden**, um enge Beziehungen zu Kunden, Partnern und Zulieferern zu pflegen und selbst höchste Anforderungen zu übertreffen.

Im Jahre 2015 wollen wir unseren Grad an Kundenservice und Effizienz durch die intelligente Nutzung von **B2B-Strategien** nochmals steigern und wir werden in der Zukunft stets neue, innovative Wege finden, unseren Kunden noch komfortableren Service, noch höhere Qualität und noch bessere Zuverlässigkeit zu bieten.

BRAKE SYSTEM

TRB is manufacturer for **caliper repair kits and s-cam repair kits**. We are supply brake systems as slack adjuster, brake shoe, brake cylinder, airtank, compressor brake disc, etc. We are competitive and successful thanks to our high quality and strong sense of cooperation. Currently, our business is expanding and our products become more popular in the overseas markets. We obtain more and more customers' satisfaction and confidence day by day
